

CONTACT REPORT

PROJECT: CADROIT

TIME AND PLACE: 1730-2000 27 April 54

PRESENT: CARBOHYDRATE and [ ]

PLACE : CARBOHYDRATE's home.

1. The first matter discussed was the advisability of changing the manner of making our meetings. After discussing the merits and demerits of all possibilities, it was felt that the present method was the most satisfactory, but that a little less routine should be observed, i.e. instead of meeting upon a regular basis, the days of the meetings should be changed.

2. CARBOHYDRATE was paid DM 125 (rent and dog). He requested that the undersigned, if possible, continue to provide the coffee and cigarettes previously given him by Rathblott. (Please comment)

3. Discussed the matter of a PAD for the CADROIT co-worker in the Vopo. According to CARBOHYDRATE, the information submitted was all that is required to fill out the PAD and that the co-worker had obtained it by answering the questions on his wife's card.

4. CARBOHYDRATE submitted the following: several reports of intelligence nature (one requiring a check) and a Begutachtung prepared by himself for CADROIT use insofar as the Vertikalebenen Ministry is concerned. It (the latter) is concerned with political recognition of persons who have been pressed into SSD agent service.

5. The security check lists were again discussed and it is felt that one more meeting on this subject will see them in sufficient form to be used.

6. The aspects of utilizing the two extra buses so that all people can be picked up coming to and going from work has been given to Fröhlich as an assignment. It appears that one secretary residing in Spandau lives so very far away that it may be impossible to have her picked up no matter what system would be used. However, she lives but one block from the public transportation and if the problem of her security is given CARBOHYDRATE's continuing attention, it may not pose too great a problem.

DECLASSIFIED AND RELEASED BY

7. CARBOHYDRATE checked into the matter of the one car which he had seen at such a reduced price recently. He discovered that it had been sold for DM 750. He ~~may~~ asked whether he should continue to look for such bargains and the undersigned told him to look around, but he would have to wait until the administrative matters concerning the purchase were cleared up before actually committing himself or buying anything.
